Print this checklist and keep it in your glove box. In an emergency, work top to bottom.

- Move safely to the shoulder or nearest safe area
- Turn on hazard lights immediately
- Set the parking brake and place the transmission in Park
- Exit through the passenger-side door if on the freeway
- Set out reflective triangles or road flares if available
- Stay behind a guardrail whenever possible
- Note your exact location: highway, direction, nearest exit or mile marker
- Call Go Ape Roadside: 1-877-GOAPE-02
- Share GPS location via text if requested
- Keep your phone charged and stay visible to the responding technician
